Online ticket services

In the **ticket services for exhibitor's portal**, via <https://exhibitor tickets.messefrankfurt.com/atp/en/index.html>, you can create exhibitor passes, visitor vouchers and/or tickets for set-up and dismantling. The tickets you create will be sent to you by email for printing.

A number of **free exhibitor passes** will be allocated automatically to your stand and will be shown in the portal. If you order exhibitor passes in excess of the number of free exhibitor passes allocated to you, you will only be charged for the excess passes logged into use at a trade fair entrance.

After the trade fair you will be charged only for **visitor vouchers** logged into use at a trade fair entrance.

Also, in the ticket services for exhibitor's portal you can view the number of tickets allocated to your company for use during set-up and dismantling. Please order any additional tickets you may need in the ticket service for exhibitors portal.

If you have any **technical questions**, please contact our Ticket Hotline at

November 2024

Stand construction plans subject to approval

Submission of stand construction plans, subject to approval

If you have any questions, please contact standapproval@messefrankfurt.com

Please observe the technical guidelines available at www.iffa.messefrankfurt.com

Deadline: 14 March 2025

**Advanced set-up planned:
Please submit the plans accordingly in advance.**

Subject to mandatory authorisation are:

- Stand spaces of more than 100 sqm.
- two-storey exhibition stands,
- Walls higher than 4 m,
- enclosed ceilings,
- platforms higher than 0.20 m,
- glass constructions,
- Moving parts.

Stands that do not include any of the above features and measure less than 100 m² are not subject to approval.

The following types of construction are subject to inspection by a structural engineer:

- specialty structures
- two-storey structures
- outdoor trade fair stands
- flying assemblies
- theatre or audience rooms
- separate display areas

If no statics-related information prepared by a second, independent structural engineer is provided, the engineering firm contracted by Messe Frankfurt will conduct the inspection. The cost will be charged to the exhibitor separately.

The cost of the approval process (review of documents submitted and on-site inspection) will be charged to the exhibitor/builder of the stand. Exhibitors/builders of stands may incur additional costs if no static-related information is provided.
